

Magnifica Evo ECAM290.81.TB Fully Automatic Coffee Machine

ECAM 290.81.TB

Magnifica Evo embodies the De'Longhi experience with its advanced technology, authentic drinks and sleek modern design. Serve the perfect Italian Espresso and a range of other drinks, topped with creamy milk foam thanks to LatteCrema Hot Technology, with no milk waste using the MyLatte function. You can choose from 7 one-touch drinks through the simple user interface.

Summary:

- ☐ Enjoy milk based drinks with zero waste thanks to the MyLatte function.
- ☐ LatteCrema Hot tops your drinks with rich and creamy milk foam
- ☐ Smart control panel with colour touch icons, including 7 one-touch drinks
- ☐ Includes a one-touch automatic cleaning function and dishwasher safe milk carafe
- ☐ Sleek titanium black coffee machine with attractive chrome finishings

Key Features:

- The freshest coffee – The machine grinds your beans right before you use them to preserve the coffee aroma, and leaves minimal residual coffee in the unit to ensure your next cup is just as fresh
- Soft touch control panel – Features an easy-to-use soft control panel, with dedicated colour icons for a selection of drinks.
- LatteCrema hot technology– Enjoy long-lasting creamy, rich milk foam at the right hot temperature for delicious in-cup results, with one-touch automatic cleaning for after each use.
- Enjoy the classic – Enjoy a selection of coffee and milk based drinks, including 7 one-touch option: MyLatte, Cappuccino, Espresso, Coffee, Long, Latte, Macchiato and Hot Water
- Milk system – LatteCrema Hot Technology
- Cup holder - Stainless steel
- Twin Shot – Yes
- Colour – Titanium Black
- Finishing – Painted plastic
